

Who is ads-TEC energy?

ADS-TEC Energy has been developing and producing battery storage-based platform solutions- a combination of highly integrated battery storage and in-house software solutions - for over 10 years. This started way before ADS-TEC Energy was founded out of the ADS-TEC Group.

Why was ads-TEC energy listed on the NASDAQ (ADSE)?

In a further step, ADS-TEC Energy was listed on the NASDAQ (ADSE) by means of a SPAC transaction (EUSG European Sustainable Growth) in order to be able to follow the expected growth in the international area with the help of capital market access.

What time will ads-TEC energy's business update be released?

ADS-TEC Energy will host a webcast to provide a business update at 02:00 PM CET/08:00 AM ET on Thursday, September 12th, 2024. Leading the call will be Thomas Speidel, Chief Executive Officer, and Wolfgang Breme, Chief Financial Officer.

ADS-TEC Energy offers energy storage and energy conversion for voltage levels of vehicle electrical systems. They have products and extensive digital and physical services. They provide proprietary battery management systems, inverters, thermal management, and control systems enable complete data access, monitoring, and physical control of charging

ADS-TEC Energy has been developing and producing battery storage-based platform solutions - a combination of highly integrated battery storage and in-house software solutions - for over 10 years. This started way before ADS-TEC Energy was founded out of the ADS-TEC Group.

Avanci, the independent global leader in joint licensing solutions, today welcomed ADS-TEC, a global leader in battery-buffered, ultra-fast charging technology, as the latest licensee for its Avanci EV Charger program, which launched in December 2023.

ADS-TEC Energy is a spin-off from the ADS-TEC Group. Its core business are intelligent decentralised energy platforms with integrated battery storage systems. ADS-TEC is convinced that an energy transition and a CO₂-neutral society ...

Bosch Thermotechnology will acquire a stake in Ads-Tec Energy, the energy storage system-making subsidiary of Stuttgart-headquartered Ads-Tec, which produces industrial IT systems. Following the signing of

an agreement ...

ADS-TEC Energy is a spin-off from the ADS-TEC Group. Its core business are intelligent decentralised energy platforms with integrated battery storage systems. ADS-TEC is convinced that an energy transition and a CO2-neutral society will only be feasible if the enormous fluctuations in power can be optimised and managed directly on site.
