

Who is ads-TEC energy?

ADS-TEC Energy has been developing and producing battery storage-based platform solutions- a combination of highly integrated battery storage and in-house software solutions - for over 10 years. This started way before ADS-TEC Energy was founded out of the ADS-TEC Group.

Why did Bosch acquire a stake in ads-TEC energy?

In the further course of the company's development, BOSCH had acquired a stake in ADS-TEC Energy. Later, ADS-TEC Energy became a supplier and partner for new infrastructures on an international scale of the leading e-mobility providers through a major contract for battery-buffered fast charging systems.

Why was ads-TEC energy listed on the NASDAQ (ADSE)?

In a further step, ADS-TEC Energy was listed on the NASDAQ (ADSE) by means of a SPAC transaction (EUSG European Sustainable Growth) in order to be able to follow the expected growth in the international area with the help of capital market access.

What time will ads-TEC energy's business update be released?

ADS-TEC Energy will host a webcast to provide a business update at 02:00 PM CET/08:00 AM ET on Thursday, September 12th, 2024. Leading the call will be Thomas Speidel, Chief Executive Officer, and Wolfgang Breme, Chief Financial Officer.
