Babcock International Group plc is a British aerospace, defence and nuclear engineering services company based in London, England. It specialises in managing complex assets and infrastructure. Although the company has civil contracts, its main business is with public bodies, particularly the United Kingdom's Ministry of Defence and Network Rail. The company has four operati...

Revenue of \$233.6 million, Net Income of \$25.4 million, and Operating Income of \$42.2 million, which exceeded expectations; Adjusted EBITDA of \$23.3 million, \$24.6 million excluding BrightLoop TM and ClimateBright TM expenses, ahead of expectations; Reiterate Full Year 2024 Adjusted EBITDA target range of \$105.0 million to \$115.0 million, excluding ...

Our international operations. Babcock is an international defence company operating in our focus countries of the UK, Australasia, Canada, France and South Africa, with exports to additional markets with potential to become focus countries.

Babcock & Wilcox Renewable. For a Circular Economy. Waste-to-energy avoids landfilling, reduces harmful methane emissions and provides electricity and/or heat for industrial processing and district heating systems.

Babcock across the world. Babcock plays a critical role in international defence. In a world of significant geopolitical instability, national security has never been more important as defence requirements become increasingly complex to deliver.
