

Which river provides the major water transport in South Sudan?

The Nile River provides the major water transport in South Sudan. The White Nile is a navigable waterway from the Lake Albert (Africa) to Khartoum through Jebel Aulia Dam. Between Juba and Uganda, the river requires a channel to make it navigable.

Is South Sudan a member of OPEC?

South Sudan is a member state of the United Nations, the African Union, the East African Community, and the Common Market for Eastern and Southern Africa. South Sudan plans to join the Commonwealth of Nations, the International Monetary Fund, OPEC+, and the World Bank.

Are there animists in Sudan?

Various scholarly sources, as well as the U.S. Department of State, stated that a majority of southern Sudanese maintained traditional animist indigenous beliefs at the start of the 21st century, with Christians remaining a small minority.

What does a new bishop say in South Sudan?

“New bishop in South Sudan: ‘We must get back on our feet and give hope to the people’
 ACN International. Archived from the original on 15 November 2022. Retrieved 15 November 2022.
 Pat, Mr (2009). Christians Under Siege. p. 105. ‘South Sudan To Respect Freedom of Religion Says
 GOSS President’.
