

Key strengths of the Company are that its products and services span global markets and geographic borders, melding two significant bases of experience and technology expertise from its Transportation and Industrial battery divisions.

A battery's performance degrades if it is not charged and discharged on a regular basis. Before purchasing a battery, please check the manufacturing date listed on the packaging. If the battery is old, please ask the seller to recharge it for optimal performance. Lento Tubular Batteries- The Best Tubular Battery Manufacturer and Supplier in Benin

SEC Industrial Battery was the first to use a patented technology to extend the design life and improve the performance of VRLA batteries. We called it the SEC CatVent and its been supercharging our batteries ever since. When inserted into the headspace of a cell, the CatVent helps to balance the electrochemical activity.

SEC batteries connect you with industrial strength power Choose from our diverse range of premium industrial batteries . Enquire. Solve industrial power problems As expert battery manufacturers, SEC offers cutting-edge, deep-cycle, VRLA, AGM and Gel battery technology.
