o Federal Iraq's 2023 budget stipulates that the KRG release 400,000 b/d of crude oil to Federal Iraq in return for a portion of the federal budget. However, the closure of the pipeline from the KRG to Turkey in March 2023 hampers the KRG's ability to produce 400,000 b/d because of the limited outlets to southern Iraq .

The term "home gym" can mean a lot of things, but when you picture an at-home setup based in physical fitness, you probably conjure up images of a filled garage with weight plates, dumbbells and, of course, a power rack in some far-off corner. These metal structures are a staple in any strength training regimen, allowing for plenty of muscle-building modalities with ...

CHISAGE offers home energy storage system solution that allows homeowners to store excess energy produced by their solar panels. The stored energy can then be used later during power outages. We provide ESS solutions for home including lithium-ion batteries with high capacity.
