

Black friday solar battery deals Svalbard and Jan Mayen

Will South Africa offer a solar discount on Black Friday 2024?

South African online shoppers can expect big discounts on solar and backup power products for Black Friday 2024. Several energy solutions providers and retailers have confirmed to MyBroadband that they would offer deals on solar panels, inverters, and batteries this year.

Does Rugged SA have a Black Friday sale?

Rugged SA will also be discounting select solar panels and portable power stations as part of its Black Friday sale. These will include deals on the Trina Solar 545W panel and the Rizen 500W/512Wh power station.

Why are solar & backup products so affordable in South Africa?

These products are already at their lowest prices ever in South Africa, making it more affordable for households and businesses to increase their energy independence than in the past. Suppliers and distributors brought a flood of solar and backup products into the country in 2023 amid severe load-shedding.

What happened to solar & backup products in 2023?

Suppliers and distributors brought a flood of solar and backup products into the country in 2023 amid severe load-shedding. Even though demand was high, the imported stock ended up outstripping the addressable market.

When do Black Friday deals start?

Although Black Friday usually falls on the Friday after Thanksgiving, Black Friday deals often begin dropping the week before Thanksgiving. Checking sales the week before Thanksgiving or at the beginning of Thanksgiving week often ensure you get the items you want.

Which energy companies are offering a discount on solar panels?

These will include deals on the Trina Solar 545W panel and the Rizen 500W/512Wh power station. Multi-national energy solutions provider Vestwoods will also be offering a big discount on its sleek battery system coupled with an inverter. The Vestwoods battery comes with either 5.12kWh or 14.33kWh storage.
