

What services does Bluewater provide?

The company also provides operational and logistic management and support for FPSO and FSO systems. Since 2006 Bluewater has developed various technologies for renewable energy.

What makes Bluewater a good company?

A pro-active, responsible approach to safety and environmental care is a prerequisite. Since its foundation in 1978, Bluewater has built a technological lead specialising in design, development, lease and operation of tanker- based production and storage systems, and has become a leading provider of innovative Single Point Mooring systems.

Who is Bluewater mooring & energy production?

At Bluewater we use our decades of experience to provide safe and reliable offshore solutions. We take pride in being one of the technological leaders for offshore mooring and energy production systems. We take care, think dynamically, are inspired to make impact and are committed to deliver.

What mooring systems does Bluewater offer?

Bluewater has developed some of the most innovative SPM solutions, including catenary anchor leg mooring (CALM) buoys and tower, internal and external turret mooring systems. Bluewater's tidal energy converter (BlueTEC) is an open-architecture floating support platform suitable for tidal turbines.

Since its foundation in 1978, Bluewater has built a technological lead specialising in design, development, lease and operation of tanker- based production and storage systems, and has become a leading provider of innovative Single Point Mooring systems.

Bluewater offers a standard and field proven Turret Buoy design, enabling shortest delivery times at lowest costs. ... the transfer of compressed hydrogen and CO2 utilizing CALM buoys whilst an E-power buoy is available to support ...

Bluewater Energy Services. Oil and Gas Noord-Holland, Netherlands 501-1000 Employees. Bluewater specializes in the design, lease, ownership and operation of Floating Production Storage and Offloading (FPSO) vessels; and the design and supply of advanced turret mooring systems and CALM Buoys.
