

Why should you choose solar World Botswana?

We offer top-notch solar solutions that are designed to perform reliably in all weather conditions, ensuring uninterrupted performance. Solar World Botswana is your ultimate destination for comprehensive solar energy solutions. Our mission at Solar World is to deliver dependable solar PV power plants that cater to all your energy requirements.

Does Solar World Botswana have a water system?

Solar World Botswana successfully revitalized and rejuvenated the water system at a resort farm located in Ranaka.

Why do we need a borehole in Botswana?

This borehole, which extends to a depth of 75 meters, plays a pivotal role in supplying water to a community situated about 3 kilometers uphill, where it is of utmost necessity. Thanks to the unwavering dedication of Solar World Botswana, this essential community requirement is now effectively met. Loading...
