

Authority Submission Authority Submission Navigating the complex landscape of permits, licences, and approvals can be daunting. Our team will handle all authority submissions on your behalf, ensuring that your solar PV system complies with local regulations and requirements, saving you time and effort.

Effective on 1st January 2019, SEDA Malaysia announce the Net Energy Metering (NEM) will be improved by adopting the true net energy metering concept and this will allow excess solar PV generated energy to be exported back to the grid on a "one-on-one" offset basis. With the scheme, it will improve the return of investment of solar PV ...
