It was a pleasant, informative and hassle-free process for my company to install solar energy for the first time. The financial assistance and government subsidies are all well take care of buySolar is my best and preferred on-stop Solar Energy Solution provider. "

Planning to go solar with a 8-9KW grid tied system. Got quotes from a few companies in my area, one of which was Solar Wholesale, which is a DIY kit. The price difference was pretty small, less than \$1500 for the same size system between Solar Wholesale and a local company which does the install and everything, so it doesn't make sense to DIY.
