Somehow, i cant build any energy storage. Its unlocked from the beginning, but first it told me it didnt want to be build because i lacked cobalt and now, that i have unlocked it, it just denies me the building without any reason. Its just the usual red sign a building has, when it cant be build, when selected. Clicking it on a possible location as you usually do for any other ...

The Riftbreaker Game ... Literally everything in that base went offline and shows that there is 0 energy usage, and 0 energy production, while I'm just staring at the endless supply of windmills, plant burners, and geothermal reactors. ... My storage would show 30k max capacity then drop down to 10k max and back. Also seen power production ...

Energy Store lv1 is 10,000 energy, so I think that means it supports 3.3 solar panels during downtime

(assuming it's storing the leftover 9.2 energy/s). So technically, Solar Costs 15 more carbonium to build and 30% more space, is ...

You can make a outpost self sufficient. Just have enough energy, energy storage and a wall it off and some turrets. Does not have to be big 3 wind, 3 solar, 3 energy storage, or less will work as well. Also a rift portal to get there if attacked or just to use as a waypoint.

Biomass Energy is a Research in The Riftbreaker. This technology allows the Riftbreaker to make use of the biomass they gather on their mission in energy production. These power plants are low-cost and have a high output, but demand a constant supply of fuel. Enhanced versions of biomass power plants. Less emissions, higher output, no increase in resource consumption make these ...

The official subreddit for EXOR Studios' latest title, The Riftbreaker. ... Also, if you build an energy storage or two, they hold a LOT of extra power, especially at L3. Turrets can just be powered off of that, and slowly charge over the time between waves.

(Unable to progress) I cannot power up the alien core during the mission Dark Energy Emission. (It requires 400k of energy) I tried to reload the save but it does not work. The alien core is not recognized as a building that can be powered. I found that other people also met this issue. Please help! They said if you enter the area before the mission showed, the save ...

Energy Weapons is a Research in The Riftbreaker. Researching this technology will allow the Armory to manufacture portable energy cells that can be utilized as ammunition for energy based weapons.
