

Who founded Daystar power?

Before founding Daystar Power, Jasper Graf von Hardenberg and Christian Wessels worked with large businesses in West Africa for a combined 25 years. They quickly appreciated that the energy deficit was one of, if not, the largest obstacle to businesses in the region. Without a stable grid, businesses had to provide their own power.

Will Daystar power increase solar capacity by 135% in 2022?

"We have seen booming demand for solar energy in the African markets where we operate. That has been reflected in our growth: we are on-track to increase our installed solar capacity by 135% in 2022," said Jasper Graf von Hardenberg, CEO and Co-founder of Daystar Power.
