

Dominican Republic - Justice, Legal System, Courts: The legal system is based on the Napoleonic Code. A nine-member Supreme Court is the final court of appeal. The Senate appoints Supreme Court justices, who in turn appoint judges to lower courts, which include courts of appeal and provincial, municipal, commercial, and land courts. The ...

The Dominican Republic has been a member of the Central American Integration System (SICA) since 2013, which has an economic integration component. However, the Dominican Republic is not part of SICA's economic integration agreement, such as the customs union between Guatemala, Honduras, and El Salvador.

With its international patent, Eurofork shuttle systems are the only ones that guarantee the absolute positioning of machines and pallet destinations of loads. E4SHUTTLE 3D maps the entire warehouse, allowing machines to move and store goods with absolute precision, optimising channel space with compact pallet positioning. ...
