

Our CEO Mark Millar, recently discussed how affordable storage batteries can support lower energy costs and a reduction in emissions. The Solar Power Portal is a renewable energy resource that keeps people up to date with developments and ...

Duracell is een geregistreerd handelsmerk van Duracell Batteries BV en Duracell U.S. Operations, Inc, gebruikt onder licentie. Alle rechten voorbehouden. Vervaardigd onder licentie en garantie ondersteund door Puredrive Energy in unit 18a & 18b, Orchard Industrial Estate, Evesham Rd, Toddington, UK.

A storage battery can store the energy produced by your solar panels during the day for you to use in the evening after the sun has dipped below the horizon. Equally, it can be used to store energy purchased from the National Grid at off-peak prices, usually overnight, before being used during peak hours, such as the evening.

Get Smart with our premium home storage batteries for quick ROI Our home storage battery is the perfect solution. Save Now Get A Quote! ... Select Page. Maximise Your Energy Cost Savings.
