

Durapower Holdings General Information Description. Manufacturer of lithium batteries for automotive and energy storage applications based in Singapore. The company specializes in designing, manufacturing, and integrating lithium battery systems for electric mobility and stationary energy storage systems such as full-electric vehicles, hybrid-electric vehicles, ...

Singapore, 21 July 2022 - Durapower Holdings Pte Ltd ("Durapower" and together with its subsidiaries, "Durapower Group"), a global leader in performance lithium battery storage solutions, has signed a Memorandum of Understanding (MOU) with Banpu NEXT Co., Ltd ("Banpu NEXT"), a leading "Smart Energy Solutions" provider in Asia-Pacific and Cherdchai ...

Singapore, 01 March 2023 - Singaporean Lithium-ion battery manufacturer Durapower Holdings Pte Ltd ("Durapower") wishes to announce that Banpu NEXT Company Limited ("Banpu NEXT"), a subsidiary of Banpu Public Company Limited ("Banpu") has increased its shareholding in Durapower, from 47.68 percent to 65.10 percent following a US\$70 million investment. ...

Singapore, 15 March 2024 Singaporean lithium-ion battery manufacturer, Durapower Holdings Pte Ltd ("Durapower") is pleased to announce that its subsidiary Suzhou Durapower Technology Co Ltd has just broken ground for its new battery manufacturing factory in Suzhou, China. The new factory will have an area size of 32,500 square meters, featuring three production lines [...]

Durapower Group offers closed-loop, end-to-end Energy Storage Solutions for a variety of e-mobility, specialty and stationery applications. Focusing on the manufacturing, research and development of Lithium-ion Battery (LIB) ...

Singapore, 20 July 2022 - Durapower, a global leader in performance lithium battery storage solutions is pleased to launch the DP Omni(TM) Battery Pack at the Future Mobility Asia 2022 summit in Bangkok today.. Durapower"s lightweight, ...

Durapower Personal Data Protection Notice Durapower Group (the "Company") realizes the significance of personal data protection according to Personal Data Protection Act B.E. 2562 (A.D. 2019) [...] READ MORE. By drprgrp. In. Posted 25 April 2024. Durapower-management-associate-programme.

Since 2009, Durapower Group has been a leading innovator of Lithium-Ion cell technology, focusing on the research and development of battery materials, of battery cell manufacturing and system integration. With a global presence spanning 20 countries and 45 cities, including China, Europe and Thailand, Durapower Group strives to make scalable ...

Leading innovator of lithium-ion cell technology Durapower partners with recycling leader TES to help achieve optimal outcomes for second life deployment and end-of-life management of lithium-ion batteries. Singapore, 08 March 2023 - Global IT asset and battery recycling company TES has signed a Memorandum of Understanding (MoU) with Durapower ...

o With a proven track record of electrifying AGVs for a multitude of applications, Durapower Group's Lithium-Ion Battery solutions are expected to lower Dutch Port operator's carbon emissions. Singapore, 21 June 2021 - Durapower Group is pleased to announce that it will be electrifying a Dutch Port's Automated Guided Vehicles (AGVs) ...

Lightweight, compact battery solutions that are designed to allow for higher operational loads.; High-performance battery solutions that are designed to minimize operational downtime, thus optimising efficiency for heavy operations.; Ultra-fast charging developed for a variety of on-the-road applications and services, advanced battery systems enabled for rapid pantographic ...

About Durapower Group Headquartered in Singapore, Durapower offers closed-loop, end-to-end energy storage solutions for the electric mobility and renewable energy applications including on and off-road Electric, Hybrid and Plug-in Hybrid Electric Vehicles, electric marine vessel and stationary energy storage solutions. Since 2009, Durapower has been a ...

Singapore, 9 August 2021 - Durapower Group is excited to announce that it has been awarded a contract by PSA Singapore to electrify its Automated Guided Vehicles (AGVs), further strengthening its position as the ideal solutions provider for innovative Lithium-Ion Batteries. Featuring flexible, lightweight energy-efficient Lithium-Ion Batteries in an all-new electric ...

Singapore, 30 June 2022 - Durapower Group has joined forces with Tao One Ltd to bring Traditional Chinese Medicine (TCM) to the doorsteps of Singaporeans living in the East Coast. The Group worked closely with Tao One Ltd to provide the community easy access to essential healthcare services via an environmentally friendly mobile clinic van fitted to deliver TCM ...

Durapower offers a series of energy storage solutions that are, safe, long life cycle, compact, modular, and scalable to fit projects of different sizes and for different applications. Depending on the needs, such as for peak shaving, emergency response, black start, or frequency regulation, the team can advise on the optimal energy storage ...

Durapower works closely with our clients worldwide to provide customised solutions for their energy storage requirements. We are constantly expanding the reach of our network which currently extends to electric automotive and energy storage sectors in countries including China, Europe, Japan, India and South East Asia.
