

What makes Lion storage a good company?

At Lion Storage, we value our relationships with our partners. We believe that strong relationships based on trust will allow us to realize impactful projects faster and more effectively, thereby accelerating the energy transition. For this reason we are committed to open communication, transparency, and working side-by-side with our partners.

Why is El Salvador a good place to live?

The volcanic ranges enrich the soil, supporting a rich array of plant life that, in turn, sustains diverse animal populations. Additionally, El Salvador's coastal areas are vital for biodiversity, with mangrove forests providing essential habitats for numerous marine species.

Where is El Salvador located?

El Salvador is an American country located in the central part of the continent, next to the Pacific Ocean. It is one of the smallest countries in all of the Americas, and it used to be a Spanish colony.

Does El Salvador have a biodiversity problem?

El Salvador's biodiversity faces multiple significant threats, including habitat reduction and fragmentation due to land use changes from agricultural expansion, urban development, and infrastructure projects.

What is El Salvador known for?

El Salvador is home to a diverse collection of protected areas including national parks, natural monuments, and ecological parks, all crucial for conserving the nation's rich biodiversity and offering recreational and educational opportunities.

A render of Lion Storage's Mufasa BESS project in the Netherlands. Image: Lion Storage via . Lion Storage has received a construction permit for a 347MW/1,457MW BESS project while Giga Storage hopes to start construction on a similarly sized one this year, representing a major step forward for the grid-scale energy storage market in the Netherlands.

All the people in El Salvador
Can you hear a distant shout
From the people in El Salvador (cross your heart
and hope to die)
For the people in El Salvador
Still they kill not knowing why
All the people in El Salvador
Can you hear them cry?
Can you see them die?
Can you tell me why?
All the people in El Salvador

El Salvador, the smallest country in Central America, boasts a remarkable biodiversity that makes it a haven
