Who is ET Solar?

Congratulations To ET Solar On Its 15th Anniversary Of Leading The U.S. Market! Powering the Future: Elite Solar is a pioneering solar PV manufacturerspecializing in innovative photovoltaic panel systems & solar cells for utility,commercial,and industrial use.

Why did Elite solar re-brand?

EliTe Solar's PV modules continue to deliver exceptional performance and quality that our partners and customers have come to associate with ET Solar. This re-branding emphasizes the strong position our products hold in the market. As of August 2023,EliTe Solar owns and operates 3.5 GW of cell/module manufacturing capacity in Vietnam and Cambodia.

In a strategic move to bolster its solar photovoltaics (solar PV) portfolio in Northern Europe, SSE Renewables has acquired a 400MW portfolio of early-stage projects in Poland from developer IBC Solar. This acquisition ...

Global solar power exhibitions have been quickly recovered after fully lifting of epidemic control measures. The ENEX Poland showed the products of whole PV industry chain with lots of audience participated. ET Solar debuted as a residential PV system solution and service provider at 2023 first global exhibition in Europe.
