

RJI offer a monthly consolidated container service to the Falkland Islands using both the MOD and SAAS service. Both have a transit time of approximately 36 days from the containers and vehicles leaving our warehouse in Bristol to arrival at our warehouse in Stanley. RJI offer an air freight service to the Falklands and also use the postal service.

Phase Two of the project looks to purchase four of Enercon GmbH E70 turbines, and, alongside other objectives, they will significantly increase the annual renewable contribution to Mount Pleasant Complex and ...

experience of working in windenergy in the Falkland Islands and delivering three significant wind turbine projects over that period. Both Enercon GmbH and ABB visited the Islands in October and November 2023 to workshop the project with the Power Station Manager to ensure we get the right solution for the Falkland Islands, maximising

Enercon is already under contract to deploy 90MW capacity in the country. The company entered the Vietnam market in 2018, and since then it is said to have been continuously expanding its presence in the country. A higher feed-in tariff provision for the country's wind energy projects is set to run until October next year.

“Using our own concepts for renewables, delivered in an excellent partnership with Enercon, we have achieved penetration of wind on our system of 77%.” He continued, “Many islands look at our system with envy, ...

As part of the agreement, Enercon will supply its new E-160 EP5 E2 wind turbine. This features a 5.5MW direct-drive permanent magnet generator, capable of generating more than 21.5GWh of energy. Ea Nam wind farm will also use Enercon's 4MW class E-138 EP3 E2. A total of 98 units of these will be installed throughout Vietnam next year.

In the Falkland Islands, you will do just that when you visit. Also known as Islas Malvinas, this remote British overseas territory in the South Atlantic Ocean is known as one of the best wilderness tour destinations due to its abundance of penguins, sea lions, and other wildlife. Speaking of penguins, they outnumber the locals by almost 100 to ...
