Hi, in Industrial scenario, there is no coal produced on my island. I have enough power, I focused on coal but not a single coal is being produced. I tried iron only and coal& iron, but nothing changed. It is said, coal is transported by trucks. But there are no trucks and no building for trucks. What am I doing wrong?

Energy Island Corp. &gt; General Discussions &gt; Topic Details. Vincent. Sep 2 @ 9:58am Suggestion/Request: Power Lines or Substation It'd be nice if you could extend the range of batteries, to allow more buildings to charge them. I was thinking, if there were placeable power lines, or maybe a substation, that you would place next to a battery and ...
