Thanks to Menlo Electric's extensive warehouse network, customers across the country can benefit from exceptional availability, short delivery times and quick access to FoxESS inverter and battery solutions. We are confident that this partnership will help significantly expand the awareness of our brand in South Africa.

ESS (Energy Storage System) is a key component of renewable energy systems. It allows for the storage of excess energy generated by solar panels or wind turbines, ensuring a consistent power supply even when the weather is not ideal.

All BOSSs Admins have been migrated to ESS as ESS RA Admins as part of the initial user migration process. BOSSs Admins can navigate from BOSSs to ESS using the link provided on the BOSSs portal and use the "Forgot password" link (steps captured above) directly on the ESS Login page to reset their password.
