Timor-Leste is at a critical development juncture. The country has been heavily dependent on oil and gas since it regained its independence in 2002, contributing around 90% of the country's revenues in recent years. However revenue from oil will start to decline over the next decade. At the same time, poverty levels remain high at almost 40% of the population. This has been ...

In July 1975, the first elections were held in East Timor, and the liberation movement for independence, the Frente Revolucionario de Timor Leste Independente, won with 55 percent of the vote.
