

Astronergy, a subsidiary of Chint Solar, is one of the companies that has been producing the World's best quality PV Modules (Solar Panel) since 2006. It takes place consistently among the Tier-1 PV Module manufacturers, which is published quarterly by Bloomberg New Energy Finance (BNEF) and has the highest level of recognition and trust in ...

Under the CHINT Group, Astronergy is an intelligent manufacturing enterprise focusing on photovoltaic cells and modules. Founded in 2006, it is one of the earliest private enterprises in China to set foot in the photovoltaic field. Nowadays, its business footprints are all over 140 countries and regions in the world.

Thanks to big-size wafer, both Astronergy bifacial and monofacial ASTRO series Solar Panels could be perfectly applied in various use scenarios. About. About Astronergy Smart Manufacturing CHINT Group Sustainability Compliance. ... The ASTRO N7s series utilizes ZBB-TF technology, featuring Astronergy's self-developed TOPCon 4.0 high-efficiency ...

The ASTRO 6 Semi CHSM66M-HC Series solar panels by Astronergy are designed to provide high-performance solar energy solutions for residential and commercial applications. With advanced technology and meticulous craftsmanship, these modules offer exceptional power output and reliability, ensuring long-term energy generation. Featuring a semi-cut cell design, ...

Astronergy provides affordable solar panels with a reinsured warranty of 25 years as a Tier 1 solar manufacturer. TUV Testing for Degradation in Extreme Conditions Astronergy mono and polycrystalline modules have passed the industry-leading Potential Induced Degradation (PID) test conducted by TUV Rheinland.

Somos una empresa líder en temas de energía solar a nivel mundial. info@chintenergy . NEWS. El Ministro Wang Wentao preside el encuentro con las principales empresas chinas en España. Luz Ma, CEO de ChintEnergy, en representación del empresariado chino-catalán, acompaña al ministro Wang Wentao en la mesa redonda celebrada en Barcelona ...
