

Honduras faces many challenges that impede the country's progress such as poverty, citizen insecurity, and high rates of crime, violence and corruption. These factors contribute to rising crime among young people, seriously jeopardizing the future of the country. Over 50% of Honduras' population is under the age of 19, and

January, 2022 -- Alianza Americas created a series of infographics to explain how the Honduran political system works. With these tools we seek to provide an understanding of the political reality of this Central American nation including the current formation of the Congress and the inner workings of State and oversight bodies.

The healthcare system in Honduras is not at par with most of the Western nations. The challenges ahead are significant, but things have started to look a bit positive in the past few years. But since the country suffers from high levels of poverty, the medical services may take some time to ...

The constitution of Honduras is the supreme legal document that establishes the government as a multi-party system with the dominant parties being the National Party of Honduras and the Liberal Party of Honduras. The government is structured into three branches, which include the executive, legislature, and an independent judiciary.
