

The 15A MPPT Solar Charge Controller is engineered to enhance the performance of your solar power system with advanced Maximum Power Point Tracking technology. ... IFADA 7.5 Watt LED Spot Track Light with 6000K (White) color temperature; IFADA 5.5W LED Spot Track Light with 6000K (Cool White) color temperature ...

The Ifada 20 Watt solar panel is designed to deliver reliable performance with its notable specifications: Power Output (Wp): 20W - This panel is capable of producing up to 20 watts of power under optimal conditions, making it a great choice for small-scale applications such as charging batteries or powering small electronic devices.

Solar Panel Used: 50Wp; Certificate: CE, RoHS; Warranty: 3 Years; SKU: IFD-D010ST014. Read more. Add to wishlist. Add to wishlist. Compare. solar street light ... IFADA 7.5 Watt LED Spot Track Light with 6000K (White) color temperature; IFADA 5.5W LED Spot Track Light with 6000K (Cool White) color temperature ...

65-Watt Solar Panel Overview: This 65-watt solar panel is a high-efficiency, durable, and reliable solar power solution suitable for residential, commercial, and off-grid applications. With advanced technology and a robust design, it is ideal for charging batteries, powering small electronics, and contributing to larger solar power systems.

The 40A/30A MPPT Solar Charge Controller is engineered to maximize the efficiency and performance of your solar power system. With advanced Maximum Power Point Tracking (MPPT) technology, this controller optimizes energy conversion from solar panels, accommodating up to 520W of input power at 12V or 1040W at 24V, with a maximum solar voltage ...

The 60A MPPT Solar Charge Controller is built for robust performance and high-efficiency solar energy conversion across 12V, 24V, and 48V systems. With cutting-edge Maximum Power Point Tracking (MPPT) technology, this controller optimizes energy harvest, handling up to 780W at 12V, 1500W at 24V, or 3000W at 48V, with a maximum solar voltage ...

75-Watt High-Efficiency Solar Panel. Unlock the power of renewable energy with our top-quality 75-watt solar panel, engineered for durability and exceptional performance. Perfect for both residential and commercial applications, this panel offers reliable and efficient solar power to meet your diverse energy needs. Key Features:

10W SMD Solar DC Street Light With 50W Solar Panel - Eco-Friendly Illumination Enhance your outdoor lighting with the eco-friendly 10W SMD Solar DC Street Light. Featuring a 50W solar panel and advanced

LED technology, this street light offers a sustainable and efficient solution for illuminating streets, pathways, and public spaces.

solar charge controller (33) solar panel (14) solar street light (16) Track Lighting (6) accessories (1) Latest Products. EcoBright 7 Watt AC LED Bulb | Energy-Efficient Lighting for Home & Office; IFADA 7.5W LED Track Light with 3000K color temperature; IFADA 7.5 Watt LED Spot Track Light with 6000K (White) color temperature

Enhance your solar power system with our MPPT 15A 12V/24V Solar Charge Controller. Supports 200W/400W max input, 55V solar voltage, with LED display, infrared, and IP67 rating for ultimate durability. ... IFADA 7.5 Watt LED Spot Track Light with 6000K (White) color temperature; IFADA 5.5W LED Spot Track Light with 6000K (Cool White) color ...

Power Options: 150W LED Quantity: 135 Solar Panel Wattage: 6V Battery Capacity: 20AH Solar Panel Type: Polycrystalline. Power Options: 150W LED Quantity: 135 Solar Panel Wattage: 6V Battery Capacity: 20AH Solar Panel Type: Polycrystalline ... IFADA 7.5W LED Track Light with 3000K color temperature; IFADA 7.5 Watt LED Spot Track Light with 6000K ...

Ifada Electronics Ltd. seems to be a pivotal organization in Bangladesh, contributing significantly to the country's development and infrastructure. Their focus on both urban and rural areas, especially with their solar and LED products, reflects a commitment to enhancing energy access and sustainability.

85-Watt Solar Panel Overview: This 85-watt solar panel is a high-efficiency, durable, and reliable solar power solution suitable for residential, commercial, and off-grid applications. With advanced technology and a robust design, it is ideal for charging batteries, powering small electronics, and contributing to larger solar power systems.

60-watt solar panel; battery 15Ah lithium ion; premium quality 12-inch solar table fan; Two five-watt solar bulbs solar power controller; A USB cable; SKU: n/a. ... IFADA 5.5W LED Spot Track Light with 6000K color temperature; Got Questions ? ...

The X3 MEGA G2 solar inverter offers a compelling combination of high efficiency, advanced features, and enhanced reliability. Here are some of its standout points: ... IFADA 7.5 Watt LED Spot Track Light with 6000K (White) color temperature; IFADA 5.5W LED Spot Track Light with 6000K (Cool White) color temperature;

Solar Motion Sensor Light Specs Type: Solar powered LED Material: ABS plastic LEDs: 120x SMD2835 Brightness: 300 lumens Battery: 2400mAh 18650 Li-ion Waterproof: IP65 Sensor: Microwave, 16-26ft range, 270°; angle Features: 3 adjustable heads, alarm function ... IFADA Solar Gate Light - 8W LED with Remote Control Stylish, Durable, and Energy ...
