

Who is bbox Ghana?

We have started Bbox Ghana in 2023 after acquiring the solar energy frontrunner PEG Africa, in 2022. We have positively impacted people's lives since by connecting consumers with clean energy and smartphones - many for the first time. Alongside governments, our trusted global partners and investors have joined us to advance our mission.

Why did we start bbox?

We started Bbox to tackle a major global problem: energy poverty and the lack of access to essential products and services across Africa. Currently, over 759 million people in the world remain without access to electricity, of which 570 million are in Africa; and an additional 840 million are connected to unreliable grid.

What is bbox Nigeria?

We have launched Bbox Nigeria in October 2021. Bbox Nigeria is transforming lives and unlocking potential by connecting consumers and deploying innovative products across the country. Bbox Nigeria is providing a much-needed solution to Nigeria's electrification challenges by connecting customers with clean, affordable and reliable energy.

How will InfraCo Africa support bbox?
