This is a huge step towards energy independence, and will significantly reduce your energy bills by using your own free renewable power even when the sun sets. Our solar batteries will also enable you to save more by charging the battery from the grid at a low-cost time frame and using the battery during expensive hours.

Iraq and Oil. Whether or not the USA will intervene militarily in Iraq cannot be predicted with full certainty today. ... Sooner or later the new Iraqi government will want to co-operate with other producers to restore prices to preferred levels. All that means that a serious and damaging oil price crisis may occur in this scenario, but that ...

Solar system installed from Oxford Intelligent Energy can generate up to 80% the energy you consume and achieve incredible savings on you monthly energy bill. INCREASE PROPERTY VALUE Multiple Studies have shown that homes equipped with solar energy systems have higher property values and sell more quickly compared to homes without such systems.
