

As a priority care customer, we can also offer a range of support including tailored payment plans and flexible times for meter readings. What is a priority care customer and how do I register? We take our duty of care regarding our customers' needs very seriously and priority care is a specific provision for customers who require extra support.

Yes, you can submit a meter reading online. We aim to read your meter every two months, but this isn't always possible. If you get an estimated bill and would like to provide your own meter reading, it's quick and easy to submit it online.
