A nossa empresa tem bases de produção tanto na China como na Malásia totalizando 350.000 metros quadrados de oficinas e 1500 funcionários altamente qualificados.Projetamos e fabricamos uma vasta gama de baterias de ácido de chumbo, incluindo séries gerais, séries de ciclos profundos, séries de gel, séries de alta taxa, séries OPzV e OPzS, séries de carros ...

Through *8 years of development, JYC has grown to be a new prominent in battery R& D in China. JYC is ISO***1, ISO*****1 & OHSAS*****1 certificated factory, and obtained UL, CE, Rohs, IEC, TLC, Soncap,

etc Certificates. Assessed as "Top 10 battery products" by China battery testing center and was named China outstanding technology enterprises honor.

JYC est une société nationale de haute technologie basée en Chine qui se développe progressivement pour devenir un fournisseur leader de batteries VRLA. Au cours des 20 dernières années, JYC s'est concentré sur la conception, la fabrication et la distribution de solutions de batteries innovantes et spécialisées dans la ...

JYC Battery Co. is a state-of-art company devoted to research, develop and manufacturing of the Lead Acid battery. Through 10 years of development, JYC has grown to well-known and the most reliable storage battery brand at home and abroad. With a 100,000 square meter manufacturing plant finely tuned for efficiency, strong innovation capability from our R& D team, ...
