

Who is mica power?

MICA POWER Co.,Ltd. was founded in 2009 is a leading supplier of lithium battery in China,focusing on Lithium Polymer,Lithium ion &Lithium iron phosphate/LiFePO4 technology batteries. we're always a step ahead of our competition. We are an international brand,offering local services and support in Asia,North America,and Europe.

Where are mica battery products exported?

Our products exported worldwidelike Europe,north America,south America,Africa,Middle East and south-east Asia. Mica power Co.,Ltd. Was founded in 2009 is a leading supplier in lithium battery solution in China.

Who is mica battery?

MICA NEW POWER CO.,LTD. Mica battery was set up on May 2009 is a private hi-tech company integrating Lithium battery R&D,manufacturing and sales. With registered capital of 10 million RMB and an area over 20 thousand square meters,the company. Up to 2012,the total investment capital has accumulated to over 100 million RMB.

Mica power Co., Ltd. Was founded in 2009 is a leading supplier in lithium battery solution in China. Focusing on portable power station energy storage system, Lithium iron phosphate/LiFePO4 technology batteries and energy storage solutions. Application for consumer electronics, agv, RV/ caravan, marine, motorcycle, golf cart / trolley, UPS ...
