Olympic has been building throughout the Turks and Caicos for over 30 years and among the team are some of the most experienced construction experts in the country. Our vision was shaped by Holton &quot;Polly&quot; Dickenson, who after spending much of his life sailing the globe, was compelled to return home and settle on the emerging islands we find ...

Built in 1852, the lighthouse is Grand Turk"s most famous landmark and is the only lighthouse in the country. The main structure was prefabricated in England and was originally set up to burn whale oil for light. It was eventually converted to kerosene, and finally, electricity in 1971. The lighthouse is no longer operational, although the grounds are open to the public.
