

The Government today presented the deployment of a solar photo-voltaic (PV) at New Harbours, as part of a scheme to produce over 3 megawatts of clean "renewable" power. This scheme will also include the installation of solar PV at the Gibraltar Airport, Europa Business Centre and Mid Harbours Estate.

The scope of the works include the design, installation, grid connection, commissioning, operation and maintenance of the solar systems. The deadline for submitting expressions of interest is Jan. 24, 2025. In August, the ...
