Nordex Energy South Africa, a leading wind turbine manufacturer, has lent its voice in calling for the swift approval of the curtailment framework. This would unlock greater access in the short term and make space for long-term solutions that ...

This has been a big year for King Mohammed VI. His government is harvesting major diplomatic wins--thanks to hardball tactics on migration. As Europe wrestles with migration and energy challenges, Morocco has masterfully leveraged its strategic position as a gatekeeper on these issues to gain international support for its controversial claims in Western Sahara.
