Billing solutions for charging stations offer a variety of advantages that benefit both operators and users. They play a central role in the management of charging infrastructure for electric vehicles, as they not only enable the financial processing of charging, but also offer additional functions that make the operation of charging stations more efficient and user-friendly.

C'est pr#233;cis#233;ment ces d#233;fis que nous, Optec AG, acceptons volontiers En utilisant 36 UMG 511 et le logiciel GridVis#174;, nous avons permis de surveiller en permanence la tension secteur. De plus, il y a la vue topologique avec programmation Jasic sp#233;cifique au client et la vue d'ensemble permanente accessible #224; tous sur un #233;cran s#233;par#233;.
