If you're not sure, then use these 3 tips to help your home in the direction of summer! 1. Dust off, clean up or replace the outdoor furniture. If we plan on getting that beautiful, golden tan or hosting a BBQ (or two or three) this summer, we're going to need the furniture to lend us a helping hand. Take a quick look at your outdoor furniture.

And lately, the weather has been amazing. It doesn't take much convincing from the clear blue skies and shining sun to get us to go outside. That's why this weekend we plan on spending our time outdoors in our backyards or lounging around the patio. So it should come to no shock that this week's weekend pins has to be all about outdoor ...
