Who governs Svalbard?

The archipelago is administered by the Governor of Svalbard, which is subordinate to the Norwegian Ministry of Justice and Public Security. Unlike the rest of Norway (including Jan Mayen), Svalbard is a free economic zone and a demilitarized zone, and is not part of the Schengen Area nor the European Economic Area.

Bear Island is both geologically and botanically closely related to West Spitsbergen and the other islands of Svalbard, and is therefore treated together with that group. Jan Mayen, however, is quite different, being an oceanic-volcanic island separated from Svalbard by deep sea, and will accordingly be treated separately.

Polar bear. This is a list of mammal species recorded in Svalbard and Jan Mayen. There are seventeen mammal species in Svalbard and Jan Mayen, of which three are endangered and three are vulnerable. [1] The following tags are used to highlight each species' conservation status as assessed by the International Union for Conservation of Nature:
