

Why do solar equipment distributors Trust phocos?

Talk to the experts! Solar equipment distributors trust Phocos for quality solar products and competitive pricing to protect reputations and retain customers. Call us today!

How does phocos support distribution businesses?

Phocos supports distribution businesses with an integrated approach both pre-sale and post-sale. We put the buying power in your hands. The good news is the solar and renewable energy industry is growing, and that means more and more people have options to find energy solutions.

What makes phocos a good distributor?

Distribute Reliability. Distribute Phocos. To be a successful distributor, the bottom line is based on the ability to service customers. That is why selecting a strong manufacturing partner is important. Avoiding problems, and proactively working on the next sale is where we want to focus our attention.

Why should you choose Hayleys Solar in Sri Lanka?

Solar energy in Sri Lanka is one of the most preferred forms due to an abundance of sunlight, being located closer to the equator. Hayleys Solar by Hayleys Fentons is the largest EPC contractor and one of the most trusted solar companies in Sri Lanka, committed to contributing to cleaner energy sources.
