Mark began his solar education journey in 2017, working for various local & national solar companies in the Albuquerque area. Naturally open-hearted and empathetic, Mark saw a need for integrity in the solar industry when he noticed how some of those companies treated their customers. But then he saw the light at the end of the rainbow...

De Rainbow Warrior van Greenpeace is aangemeerd op Curaçao. Het vlaggenschip van de milieuorganisatie was ook al te spotten voor de kust van Bonaire. Wat Greenpeace komt doen op het eiland, is niet duidelijk.

Why Rent A Car In Curacao? Curacao is a beautiful island. White sand beaches, turquoise waters, historical center, delicious food, and friendly locals. One might say we have it all, but there is one area we are slightly lacking in: reliable public transportation. Unlike the other countries our public transportation is not very optimal.

Experience Rainbow Magic: This innovative device harnesses solar power to create mesmerizing rainbow effects in any room; a fascinating addition to your home decor that instantly adds a touch of magic and wonder, this device rotates like a disco ball, expertly refracting sunlight to produce captivating, ever-changing rainbow patterns dancing around the room

Services | Most systems installed today are what's known as grid-interactive or grid-tied systems. That means the solar energy system works in parallel with utility electricity to provide power to a home or business in a seamless manner. With a grid-interactive system, you are not aware of the source of electricity (unless looking at a system monitor). There are no switches to worry about ...
