

Did Athelion loan \$175 million to Proterra?

Athelion loaned \$175 million to Proterra with a proviso that Proterra could not seek new money elsewhere. The sustainability-focused private equity fund with \$1.4 billion in assets got repaid in cash in the bankruptcy workout and picked up Proterra Energy for \$10 million.

What happened to Proterra & Volvo?

It closed Wednesday at 33 cents a share. Volvo, meanwhile, kept the Proterra name for the battery business. CEO Chris Bailey referred questions about battery business progress to its new parent.

Does Volvo still own Proterra?

Volvo, meanwhile, kept the Proterra name for the battery business. CEO Chris Bailey referred questions about battery business progress to its new parent. Big customers like Daimler Truck North America's Thomas Built Buses and Freightliner Custom Chassis Corp. units stayed with Proterra despite being charged more.
