Douglas council is to start producing its own sustainable solar energy. The local authority has approved funding for a solar farm to power some of its facilities. The generation facility would be built in Braddan and have a life span of around 20 years. It's thought the savings will mean it'll effectively pay for itself within five to seven years.

For easy installation of solar panels on your roof, get zed bars at a good price. Call us on 0721916102 /0714 614400 or visit our shop along Ronald ngala opposite posta where we have Githurai 45 buses.
