My system -fuse box, scc"s, batteries etc are mounted on my back wall, cool side in shade. Its has a little shelter from the rain. Still a work in progress, beta, experimenting before investing in a decent batt system with 4 very old L/A batt that just hold a charge & 4 super cap modules, presently living in a dog bed mounted on an old painters trellis.

Our solar battery cabinets are ideal for off-grid solar panel system, with the capacity to fit up to 10 batteries and options that can house both batteries and the inverter chargers. Available for immediate shipping to your home or business, all over Australia. Sort this collection.
