Pecron E2000LFP Real-World Testing- 1920Wh of power on tap with 2000W of output makes for a very capable portable power station. If you're worried about being able to maintain basic electrical services to your home during a blackout (or you need portable power for activities like camping) the Pecron E2000LFP is well worth considering.

I couldn't be more satisfied with my [portable solar] Kit from Ben! After hurricane Irma, we were out of power for two weeks. Our gas generator was inconvenient to sustain, primarily because of the long gas station lines and cost. I wanted an alternative power source, began researching solar, and how I found Ben.

The sun powers our world, and with the right portable solar panel, it can also power your outdoor adventures or home emergency set up. I've tested dozens of models from top brands like Bluetti, Jackery, Anker, Goal ...
