

The United States Virgin Islands is a group of islands in the Caribbean belonging to the United States. Formerly a colony of Denmark it was purchased by the United States on 31 March 1917 for 25 million dollars. Its nearest neighbors are Puerto Rico and the British Virgin Islands. The official language is English.

2. Take the ferry to St. John & visit Virgin Islands National Park. Admittedly, my family and I are national park junkies. We have a goal of visiting all 62 national parks in the USA. Virgin Islands National Park on St. John was ...

U.S. Virgin Islands Coastal Zone Management Program. Established in 1979, the lead agency is the Department of Planning and Natural Resources. The program operates under the authority of the U.S. Virgin Islands Coastal Zone Management Act. Covering the entire territory, the program aims to manage and safeguard coastal resources, mitigate ...

For nearly 250 years, Denmark was a colonial power in the West Indies - today the US Virgin Islands. From the founding of the colony in 1672 to the sale of the islands to the USA in 1917. Uniquely, an enormous amount of descriptions, registers, letters, and illustrations have been preserved in the Danish National Archive, providing a unique ...

ST. CROIX. Jump Up November 29, 2024, plus February 14, May 2, July 11 & November 28, 2025 The streets and pier of Christiansted become a whirlwind of food, music and dancing during the four annual Jump Up carnivals. Snack on a hot johnny cake and sip Cruzan Rum from a fresh coconut while you dance to steel pan drums.

Our carnivals immerse visitors in the U.S. Virgin Islands" rich culture, celebrating everything that makes us unique. But beyond these seasonal events, you'll find echoes of the past in our islands" 18th-century Danish colonial architecture, as well as Danish street and estate names. Outside of our towns, the islands are carved into ...

Die US-Virgin Islands liegen am n&#246;rdwestlichen Ende der kleinen Antillen ca. 50 km &#246;stlich der &#228;u&#223;eren Inseln Puerto Ricos und westlich der British Virgin Islands. Sie geh&#246;ren zu den Inseln &#252;ber dem Wind. Die Landschaft ist gr&#246;&#223;tenteils ...
