We're Univix Power Solutions, and we've developed a powerful, back-up energy source, The Bank, to help people get through the darkest blackouts without suffering the inconvenience, the losses, and the dangers of not having power for an extended amount of time. With our energy products, you can power your home longer when the grid goes down.

Discover The Bank by Univix Power Solutions: your ultimate home battery for on-demand energy. Reduce grid reliance, power essential loads during outages, and integrate with solar for off ...

In addition to being the best backup solar generator and battery generator for your home, The Bank by Univix is the nation's best portable power generator you can buy. The Bank's excellence as a standby home generator or a backup business generator is why thousands of Americans have chosen it as the primary back home generator and backup solar generator for business.

New solar panels going on our trailer soon! These panels will power our backup energy unit, The Bank, produced right here in the USA! To learn more about our generator, and it's off grid capabilities, visit our website: <https://univix.com> #solar #solargenerator #batterybackup #cleanenergy #greenenergy #newhampshire #madeintheusa #certifiedforkliftoperator
