Legit distributor means who is importing direct from LUXPOWER And dealer / partner means who are buying from distributors and are under Distributors . @everyone Solar Bitek LUXPOWER HYBRID BITEK...

LuxPower is the engineering organization behind this inverter. GSL is the reseller. I have no idea and don't care who the actual fabricator is. What I know is that the only way to buy this inverter currently is through GSL. ... But from what I have been able to gather, GSL is the exclusive distributor of this model. Its basically the same ...
